Introducing the HANSABASIC bath and shower faucet - a timeless choice for every modern bathroom. This trim kit features a chrome surface treatment and is designed for concealed wall-mounting. With hot and cold symbols and a single-operating lever, this faucet makes controlling the water temperature and flow effortless. The turn-operated diverter makes switching between the bath and shower easy. This faucet not only comes with a universal design but also offers outstanding price-performance ratio. Choose the BASIC line for daily enjoyment in everyday use.
